1. FE/Support		8/8		4-5; under the conditions outlined & the regulations it would appear that if this were to be considered for approval, it would have to be on the basis of "health & welfare" justification rather than a waiver of climate criteria. They do not meet the cooler criteria either although they don't mention this factor as regard a waiver on that point. Subject to a preliminary discussion with [redacted] it might be a good idea to have Col. White look into this whole matter on his trip from a "health & welfare" angle with a view to a favorable decision on the latter basis instead of [illegible] pressed.
